

For saws / Jigsaw Blades

DART German T101D Clean Wood Jigsaw Blade 75/100mm - Pk 5

DART Premium T101D Jigsaw Blade is made in Germany from chrome vanadium steel for extreme durability and long life. It features a crossground and tapered tooth design with 6 teeth per inch, which helps to produce extra clean cuts. It is suitable for cutting softwoods, construction timber, plywood, chipboard and fibre material MDF. The universal T-shank allows it to fit most brands of jigsaw.
